
Caché Havanese Madi is in Labor

Posted by CacheHavs - 2009/07/02 13:17

Madi is now in labor, praying everything goes smoothly. You can view her cam at: <http://www.ustream.tv/channel/cache-havanese>

I will up date as I can

OH My. I put out the message, she started to look like she was pushing, and the camera went out!

:araggh:

:knock:

Sorry I was unable to update, as Madi was having them faster than I could catch them:lol:

She had 7 puppies all within 2 1/2 hours, 4 boys and 3 girls. Mom and babies are doing well!
