
Do you wish to add your camera to this forum?

Posted by diwelle - 2008/09/10 21:09

How to list your webcam:

1. Contact Whelp Watch using the "contact us" link on this page.
2. Provide us with your name, breed of dog (purebreds only, please), email address, and the link to your webcam.

That's it!

Then, you can start a new thread on the forum, telling us about the dog(s) we're watching!

:)
